

Title of the project: **Individual presentation of companies on international exhibitions abroad in years 2019-2022**

Duration of the project: **09. - 10. 02. 2019**

Our company Logar trade d.o.o. took part in the exhibition 15. Međunarodni pčelarski sajam, which took place in Gudovec, Croatia, from 9. to 10. 02. 2019.

We have been participating in the exhibition for some years by presenting our products that the company offers the beekeepers: honey extractors, tanks for honey, wax melters, strainers, filling machines ...

The operation was chosen for co-financed on the Official tender for co-financed of individual presentation of companies on international exhibitions abroad in years 2019-2022.

“The project is co-financed by the Republic of Slovenia and European Union from the European Regional Development Fund.”
